Source: "Record of Demand and Supply of Salt" from Ministry of Finance

Details of "Amount demanded" are as follows;

2024 (Unit: thousand metric ton)	
For domestic use	115
For the soda industry	5,819
For the food industry	628
For other industries	148
For livestock	74
For pharmaceuticals	67
For road de-icing	941
Other	10

- "Salt produced overseas" in "Amount supplied" includes salt produced domestically from imported salt produced overseas.
- Amounts of less than one unit are rounded and so the figure indicated as the total may not be the same as the total of the amounts added together.
- The amounts are for one year from April 1 to March 31 of the following year.
